Alyssa's choice : Angeles - Elliott Smith

"It's typical of the music and listen to while reading or on my way to school in the bus. The slow melody and guitar relaxes me."

Camille's choice : Windowpane - Mild High Club

"It was the song that made me think the most about LA. and transported me most to its beaches in Venice and Santa Monica. I like the melody and the rhythm, they remind me of summer."

Claire's choice : Los Ageless - St Vincent

" I like the genre, rock and electropop. I like the wordplay in the title. It's like everybody can have fun in L.A. It feels like it's a city of youth. It makes me feel like it's a perfect sunny day, on the 292 sunny days in a year in L.A.!"

Eva's choice : 90210 - Dent May

"It is a lively and simple song, so are the lyrics. The old-fashioned melody stays in mind. That's why I can say I love this song."

"I like jazz, the rhythm of the song is fast, it's lively. Moreover, jazz is famous in L.A., it's part of the city's culture and history."

Maëli's choice : Why You'd Want to Live Here - Death Cab for Cutie

"I like the music itself, the sounds, the rhythm, what comes from it...not so much the lyrics, but the spirit of the song."
